Stretching for a whopping 186 miles from Amroth to St Dogmaels, the path leads visitors through a changing landscape of red sandstone bays, towering cliffs, quiet valleys and majestic headlands. Suitable for walkers of all abilities, numerous routes along the Pembrokeshire Coast Path can be reached by the coastal bus service.

EXPERIENCE PEMBROKESHIRE'S SPECIAL PLACES

1. COAST, COAST, COAST

With beaches in abundance and a wealth of watersports on offer, you really can make the most of the coast. Visit Barafundle Bay for classic coastal charm, go rockpooling at Marloes Sands and uncover adventure at Aberiddi and its Blue Lagoon. You can make a splash with our kayaking and coasteering sessions from Stackpole Quay and the North Pembrokeshire coast too.

2. A GARDEN FOR ALL SEASONS

For flower power, Colby Woodland Garden is a must-visit throughout the year. Admire seasonal blooms, go for a woodland wander, have fun with duck racing and pond dipping in the streams and take a break in the tea-room.

3. HISTORY AND MYSTERY

Step back in time at the Tudor Merchant's House in Tenby and see what life was like in the 1500s. Uncover the historic wall paintings; our centuries-old artwork that's recently undergone vital conservation work.

4. FARM LIFE

For a glimpse into rural life, head to the Southwood Estate, our home farm for North Pembrokeshire. Follow the walking trails around the estate, visit the shearing shed for information and maybe even spot our herd of Welsh Black Cattle or Welsh Mountain Ponies.

5. SEAL PUP SPECTACULAR

Come and meet our resident wildlife – autumn is a real wow as we welcome in seal pup season! Head to the Marloes Peninsula on a guided ranger walk to see the Atlantic grey seals and their pups. Have those binoculars ready...

6. PLACES TO STAY

Sleep easy under the stars at Gupton Farm, our brand new coastal campsite and farmhouse accommodation. Nestled behind Freshwater West, our rustic site is a stone's throw from the beach; ideal for sandy adventures, surfing breaks and escaping the hustle and bustle.

See the Sea

Pembrokeshire's breath-taking scenery draws visitors, nature lovers, film crews and adventurers alike. Pristine countryside, ancient woodlands, vast parkland, pretty towns and sites of historical significance all play an important part, but it's perhaps the county's dramatic coastline that holds its biggest appeal. Bordered by sea to the north, south and west, boasting the UK's only coastal National Park and offering every type of beach imaginable, Pembrokeshire is a sea lover's paradise.

Sea *life*

Visitors of all varieties are drawn to Pembrokeshire's magnificent coastline. Nutrient-rich waters and a favourable landscape provide a perfect habitat for resident and visiting birds, such as gannets, guillemots, Manx shearwaters, razorbills and puffins, while glimpses of grey seals, basking sharks, dolphins, porpoises and even whales are offered through a number of wildlife sight-seeing boat trips. Other increasingly popular water activities to enjoy include surfing, stand-up paddle boarding and coasteering, and for the ultimate sea-based adventure, board a cruise or sea safari for a round- island boat trip or trips that land on the islands of Skomer, Ramsey and Caldey.

“ Just come back from a week’s break in St Davids - loved the area completely, and the local people are brilliant. Highly recommended is a boat trip to Ramsey Island.

Defending the *realm*

Because of its exposed and strategic position, Pembrokeshire's coastline is peppered with various defences built over the centuries, from castles and forts to gun batteries and airfields. Many still stand and are open to visitors, offering a fascinating and atmospheric insight into times gone by.

Sea change

Natural events, weather, tides, the changing seasons and human impact all play a part in altering the Pembrokeshire coastline. Some change is gradual, while other changes can be noticed almost immediately.

Left: *Amroth*
Below: *West Angle Bay & Thorne Island*

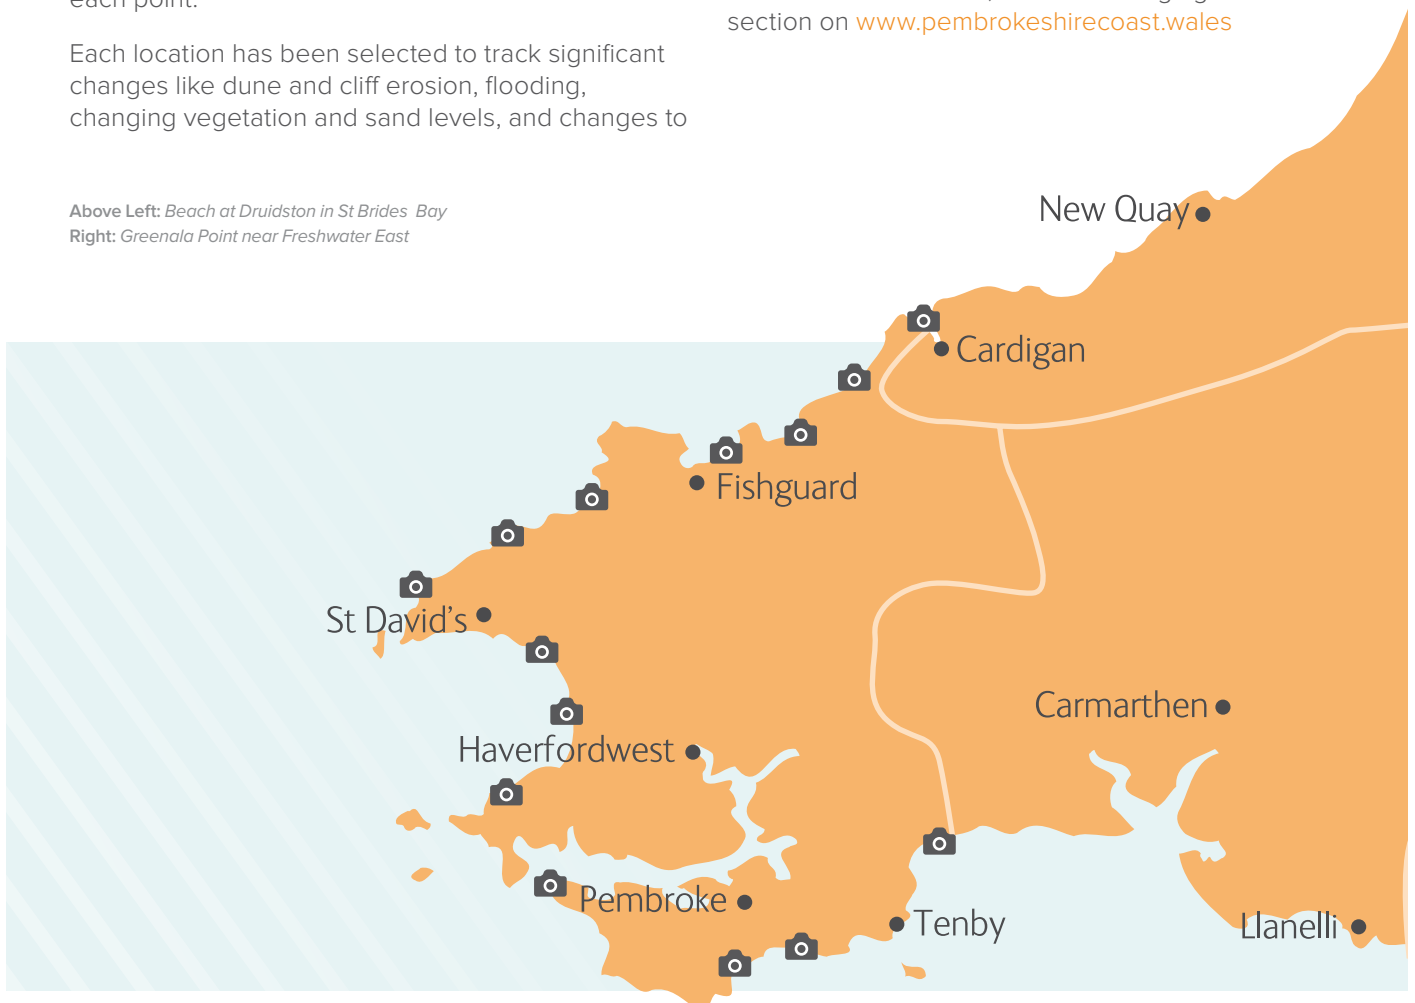

The Pembrokeshire Coast National Park is tracking these changes with its interactive Changing Coasts map and you can get involved. All along the coast you will find fixed point photography posts. These can be located by clicking on the camera icons that show up on the map, which will give you information about each point.

Each location has been selected to track significant changes like dune and cliff erosion, flooding, changing vegetation and sand levels, and changes to

pebble banks and stream courses. Share your photos taken at one of these posts with the park authority and they will add them to other shared images to create time-lapse films to document the changing coastline.

Discover the area's bounteous history with a visit to the iconic Preseli Hills, which provided dolerite 'bluestones' for the second phase of Stonehenge's construction, or walk the Golden Road that follows the main trade route between Britain and Ireland, dating back 5,000 years to the Neolithic.

As well as our much-loved existing attractions, an exciting variety of new visitor experiences await. Must sees for animal lovers include

Top 10 family attractions

01 Oakwood is Wales' only theme park with some world-class white-knuckle rides, but has plenty to amuse younger children too. The popular 'After Dark' evening openings throughout August will also be returning for 2018.

02 The award-winning Folly Farm is more than just a farm. It's a zoo, a vintage fun-fair, an adventure playground and it's open all year. 50% is under cover too. Two rare black Rhinos have recently joined the star attractions of Lions, Giraffes and Penguins.

03 The Blue Lagoon is a brilliant indoor water park with a wave machine, flume rides and a lazy river. Regular 'After Dark' evening sessions are great fun when all the waves, cannons and jets are on full power! Next door is The Adventure Centre, a giant countryside-themed indoor adventure play centre and indoor high ropes course.

04 Anna Ryder-Richardson's Manor House Wildlife Park is a zoo with a difference with walk-through enclosures where you can get up close to the animals. Now open all year round. Rhinos Zambo and Jambo have now been joined by new star attraction, Sumatran Tigress Terima.

Making the Grade

A Guide to Quality Assurance

All the accommodation featured in this publication has been independently assessed so you can make your choice in confidence, knowing that each place to stay has been given a rating according to the quality and facilities on offer. These ratings mean that you can be sure of standards and choose the accommodation that's just right for you.

Visit Wales/AA are the only checking agents in Wales, checking out over 5,000 places.

What do our star ratings mean?

Visit Wales STARS are evidence of quality. They range from one to five stars and are a reliable indication of the services and facilities you can expect in accommodation which includes hotels, guest houses, bed and breakfast, farm accommodation, hostel/hostel type accommodation, self-catering cottages and apartments and caravan holiday home and touring/camping parks.

Alternative Accommodation such as yurts, tipis and tree houses are also checked to ensure that they meet minimum standards.

Cleanliness is the most crucial element of any assessment and minimum standards, particularly at the higher star ratings reflect consumer expectations.

All accommodation grades are based on a set of common quality standards agreed by Visit Wales, Visit England, Visit Scotland, Tourism Northern Ireland and the AA.

Does a lower star rating equal less quality?

Many lower star rated accommodations may still offer high quality but do not meet all of the facility and service expectations for the higher star ratings. It is particularly important not to compare Guest Accommodation ratings against Hotel ratings as different criteria are used when assessing. The advice is to always check with an establishment before booking to check that the accommodation offers the services and facilities that meet your needs – they will only be too pleased to help.

Also look out for that extra-special property that has been awarded Visit Wales' Gold Award, given for exceptional standards of hospitality, comfort and food in serviced accommodation.

Occasionally, it has not been possible to visit the accommodation prior to publication. In these instances, the property is marked as 'Awaiting Grading'. Some accommodation operators have chosen not to be star rated, but they have been checked out to ensure that they provide an acceptable level of services and facilities appropriate to their type of business. They are identified as either 'Verified' or 'Listed'.

Visitor Attractions

Look out for the Visit Wales Quality marque. This only gets awarded to attractions that have been independently assessed against the national standards of the Visitor Attraction Quality Assurance Scheme to ensure that all areas important to your visit are of the best standard.

Accommodating visitors with disabilities

All Visit Wales graded properties have an Access Statement. This statement tells visitors in a clear, accurate and honest way how the property can meet their particular needs. Three symbols have been introduced to help visitors with physical impairments find the Access Statements of most relevance to them. Accommodation providers have selected the one symbol which best describes the improvements that they have made to their properties.

Look out for these symbols:

Access improved
for mobility
impaired people

Access improved
for visually
impaired people

Access improved
for hearing
impaired people

The advice is to always check with an establishment before booking to check that the accommodation offers the services and facilities that meet your needs.

Please note:

All gradings and awards were correct at the time of going to press. Occasionally, it may not have been possible to undertake a grading. This situation is clearly identified by 'Awaiting Grading' appearing within the advertisement/entry.

Grading assessments are on-going and improvements made by establishments may have resulted in a revision since publication. Please check when booking.

Further information on gradings and awards is available from Visit Wales, Welsh Assembly Government, Rhodfa Padarn, Llanbadarn Fawr, Aberystwyth, Ceredigion SY23 3UR

Cyrraedd y Safon

Canllaw Sicrwydd Ansawdd

Mae pob llety sydd yn y cyhoeddiad hwn wedi cael ei asesu'n annibynnol felly gallwch fod yn hyderus bod y llety rydych wedi'i ddewis wedi cael ei raddio'n unol ag ansawdd y llety a'r cyfleusterau sydd ar gael. Mae'r graddau'n golygu bod safon y llety rydych chi wedi'i ddewis o'r safon uchaf ac yn ddefnyddiol ar eich cyfer chi.

Yr unig ddau gorff sy'n asesu lletyau Cymru yw Croeso Cymru a'r AA; mae nhw'n asesu dros 5,000 o safleoedd.

Sut mae ein cynlluniau graddio ni yn gweithio?

Mae cynlluniau graddio SEREN Croeso Cymru yn dystiolaeth o ansawdd. Maen nhw'n amrywio o un i bum seren ac yn ddangosydd dibynadwy o'r gwasanaethau a'r cyfleusterau y gallwch chi eu disgwyl yn y llety sy'n cynnwys gwestai, tai llety, gwely a brecwast, llety fferm, hosteli, bythynnod a fflatiau hunanddarpar a pharciau gwyliau carafanau a pharciau teithio/gwersylla.

Mae Lletyau Amgen fel iwrts, tipis a thai coed hefyd yn cael eu hasesu er mwyn sicrhau eu bod yn bodloni'r safonau angenrheidiol.

Elfen bwysicaf unrhyw asesiad neu safonau gofynnol yw glanweithdra, yn enwedig gan fod lletyau sêr uwch yn adlewyrchu disgwyliadau'r defnyddiwr.

Mae pob gradd llety wedi cael ei seilio ar gyfres o safonau ansawdd cyffredin y mae Croeso Cymru, Visit England, Visit Scotland, Twristiaeth Gogledd Iwerddon a'r AA wedi cytuno arnynt.

A yw llety sydd â gradd seren is yn golygu nad yw ei ansawdd cystal â llety gradd seren uwch?

Mae llawer o letyau sydd â gradd seren is yn gallu cynnig llety o ansawdd uchel i chi ond nid ydyn nhw'n bodloni'r holl ddisgwyliadau o ran cyfleusterau a gwasanaethau'r gradd seren uwch. Mae'n bwysig peidio â chymharu graddau lletyau â graddau Gwestai gan fod y meini prawf asesu yn wahanol.

Y peth gorau i'w wneud yw cysylltu â'r lleoliad cyn archebu lle er mwyn gwneud yn siŵr y bydd gwasanaethau a chyfleusterau'r llety'n bodloni'ch anghenion chi – byddan nhw'n hapus iawn i'ch helpu.

Hefyd, cadwch lygad am y lletyau arbennig sydd wedi cael Gwobr Aur Croeso Cymru am safonau eu lletygarwch ac esmwythdra a bwyd o safon eithriadol mewn llety â gwasanaeth.

Weithiau, nid yw'n bosibl asesu'r llety cyn i'r canllaw gael ei gyhoeddi. Yn yr achosion hyn, byddwn yn rhoi nodyn wrth y llety - 'Yn cael ei raddio'n fuan'. Mae rhai gweithredwyr lletyau wedi dewis peidio cael eu hasesu ond mae gwiriadau wedi cael eu gwneud i sicrhau eu bod yn darparu eu gwasanaethau a'u cyfleusterau yn briodol. Maen nhw'n cael eu hadnabod fel 'Wedi'i wirio' neu 'Wedi'i restru'.

Atyniadau i Ymwelwyr

Gwylwch allan am Nod Ansawdd Croeso Cymru. Rhoddir y nod hwn i atyniadau sydd wedi cael eu hasesu'n annibynnol yn ôl safonau cenedlaethol y Cynllun Sicrhau Ansawdd Atyniadau i Ymwelwyr i sicrhau bod yr holl elfennau sy'n bwysig i chi o'r safon uchaf.

Gwasanaethau i ymwelwyr sydd ag anableddau

Mae gan bob eiddo sydd wedi cael ei raddio gan Croeso Cymru Ddatganiad Mynediad sy'n datgan i ymwelwyr mewn ffordd glir, gywir a gonest bod yr eiddo'n bodloni anghenion penodol yr ymwelwyr. Mae tri symbol yn cael eu defnyddio i helpu ymwelwyr sydd ag anableddau corfforol benderfynu pa Ddatganiad Mynediad sydd fwyaf perthnasol iddyn nhw. Mae darparwyr lletyau wedi dewis y symbol sy'n disgrifio orau'r gwelliannau y maen nhw wedi'u gwneud i'w heiddo.

Gwylwch allan am y symbolau hyn:

Mae'r llety'n addas i bobl sydd â phroblemau symudedd

Mae'r llety'n addas i bobl sydd â phroblemau gyda'u golwg

Mae'r llety'n addas i bobl sydd â phroblemau gyda'u clyw

Cysylltwch â'r llety cyn bwcio er mwyn i sicrhau bod y llety'n cynnig y gwasanaethau a'r cyfleusterau sydd eu hangen arnoch.

Cofiwch:

Pan anfonwyd y canllaw hwn i'w argraffu, roedd pob gradd yn gywir. Weithiau, nid yw'n bosibl asesu pob llety mewn pryd.

Fe nodir hyn yn glir pan fo'r nodyn 'Yn cael ei asesu'n fuan' wrth yr hysbyseb/cofnod.

Mae asesu lletyau'n ddigwyddiad parhaus; weithiau, bydd y llety wedi gwneud gwelliannau ers i'r canllaw hwn gael ei gyhoeddi felly cofiwch holi'r llety cyn bwcio.

Mae rhagor o wybodaeth ar asesu a gwobrau ar gael gan Croeso Cymru. Llywodraeth Cymru, Rhodfa Padarn, Llanbadarn Fawr, Aberystwyth, Ceredigion SY23 3UR Rhif ffôn: 0845 010 8020 e-bost: quality.tourism@cymru.gsi.gov.uk Gwefan: www.gov.wales/tourism
